Keurverslag Nest L429
Hollandse Herder Langhaar

v. Brabantse Bodem

Geb. 24-02-2015 Fokker: M. Taal

V: Victo Palouk V. Kevin's Cot
M: Danthe Veunis for Song Dog

Totaalbeeld:

Very nice father and mother, whom have given some of their nice anatomy to their offspring. I see nice heads, some have very nice hind quarters, nice rib cages and nearly parallel headlines. Only some are moving closed behind. In all would be prevered a little bit darker eyes. All are very friendly to the judge, showing a lot of temperament to their siblings. Interesting to see the differences in colour.
